rotating seasonal
scent selections!

Things to know

- We use a blend of soy & coconut wax for our workshops, which produces a natural, clean burning, low-soot candle. We use only organic braided cotton wicks, and premium *Certified Clean* fragrance oils and essential oils.
Certified Clean means they contain NO sulfates, parabens, Prop 65 ingredients, or cancer causing carcinogens.
- You supply the table(s) to accommodate your number of guests and we'll provide protective table coverings, decor, all equipment, candle making materials, labels and clean up. We also include candle care information, matches, and gift bags for your guests to take their candles home in.
- We can accommodate groups of 6-25 people.
(all participants must be at least 12+ years of age)
- The whole experience takes apx. 1 to 1-1/2 hours start to finish, not including set up and clean up time. Candles will take an additional 2-3 hours to fully solidify before they can be taken home.
- We require at least 1-1/2 to 2 hours prior to the event start time for set up and preparation, and approximately 20 minutes of clean up time after the event is finished.
- All reservations must be paid in full at the time of booking unless otherwise agreed upon. We accept cash, venmo, and all major credit cards. Please note: All card payments will be subject to a 3.5% processing fee.
- Package cost includes travel up to 10 miles of Cape May, NJ 08204. We can travel further for an additional travel fee.

For booking, email : PourCapeMay@Gmail.com
